Choir Cares, Concerns & Joys

Cares Coordinators, Judi Davidson & Lora Oswalt, at [choircares™ hpumc.org](http://choircares™hpumc.org).

Former choir member, **Pat Johnson**, passed away on Aug 6th. Her daughter, Cone shared: "If you would be so kind as to tell the Chancel Choir about Mother's death - I know there are still a few people who'll remember her. Also express how much the choir meant to her, won't you? Of course prayers for Mother -and for all our family- are most welcome. You know Mother truly truly loved being in the choir - it was her joy to sing with such a wonderful group." Pat was a choir member in the early 2000 - 2009. Info regarding the memorial service will be shared when its announced.

Christine Cochran From Rich "Thank you all for your prayers. We both believe in the power of intercessory prayers and they do work. Christine is now the proud new owner of a new Medtronic pacemaker, and be released to go home right after lunch. Everything went well. "

Lacey Hays, a friend of Scott's and trumpet player with DFW Brass (she has played for us several times recently), is having some rather serious complications from a surgery 5 weeks ago. She is unable to eat, so her overall level of health is declining. Please take a moment to send her a card.
