

January is in full swing, and if you are like me, you have only failed on one of your New Year's Resolutions... one out of three isn't too bad, right?

No matter whether "get more involved at church" or "get more serious about my faith" was a resolution you chose for 2020, we are here to make sure you can keep that resolution. We hope you consider diving into one or more of the incredible opportunities HPUMC offers to build community, grow in your faith, and put your faith into action!

As always, if you have any questions or if there is anything we can do to help you better connect at HPUMC or grow in your faith, please do not hesitate to reach out! Here's to a new year of being made new!
