

*Boundless Learning, Bountiful Living* is this year's name for the Perkins School of Theology's three day laity summit. It's such a great title that I thought I'd borrow it for this edition of the newsletter. The title describes what HPUMC's Encore is all about; learning and living in the abundance of Christ's love! Encore is HPUMC's ministry for older adults and its mission is to help enrich the mind and spirit while in supportive community. That, my friends, is bountiful living! We invite you to take part in the Perkins summit and join us for our many classes and programs that encourage bountiful living!
