Fall Scripture Calendar  
August - November, 2015  
Eat This Book

At the beginning of this year, we introduced you to the concept of the First 15 - taking the first 15 minutes of every day to read Scripture and connect with God. Most of us acknowledge that reading the Bible can be kind of like eating broccoli: we know it's good for us, and we'd like to like it - but often we just don't. However, here we are, more than half way through the year, and many of you have acquired a taste for this book. We are now calling our calendar Eat This Book, but it's the same concept. Start every morning in prayer and Scripture and see what God will do!

And a big welcome to those who are just now joining us in this journey.  
We hope you, too, will eat this book!
