## Itinerary

### DAY 1

Fly into Reno, Nevada. Cruise Lake Tahoe. Spend the night in South Lake Tahoe.

### DAY 2

Drive through “gold country” to Yosemite and arrive in the early afternoon to visit a grove of Giant Sequoia Trees (weather permitting). Stop at the “Fallen Giant” and walk through the “Tunnel Tree” to get a close up.

### DAY 3

Stop at Inspiration Point for a bird’s-eye view of the whole valley by tram. Gaze up at the huge stone formations of Half Dome and El Capitan. Marvel at the tallest waterfall in North America, Yosemite Falls. For lunch, enjoy a picnic next to the Merced River or visit one of the restaurants at Yosemite Lodge. After lunch, explore the park on your own. Hike to one of Yosemite’s waterfalls, rent bikes for a leisurely cycle on the flat bike paths throughout the valley, or simply relax at the visitors center. We will have dinner at a restaurant in the lodge.
